

**Disclaimer and Cautions:** The Bay Circuit Alliance, as the advocate and promoter of the Bay Circuit Trail, expressly disclaims responsibility for injuries or damages that may arise from using the trail. We cannot guarantee the accuracy of maps or completeness of warnings about hazards that may exist. Portions of the trail are along roads or train tracks and involve crossing them. Users should pay attention to traffic and walk on the shoulder of roads facing traffic, not on the pavement, cross only at designated locations and use extreme care. Children and pets need to be closely monitored and under control.

## Map 12 -- Easton, West Bridgewater, Bridgewater, East Bridgewater -- BAY CIRCUIT TRAIL route

(as shown on map April 2015)  
(text updated April 2015)

The BCT often follows pre-existing local trails; BCT-specific blazing is a work in progress and may be sparse in segments. We encourage you to review and carry corresponding local maps on your BCT walk.

**Trail Notices** regarding trail problems and closures are posted on the website at [www.baycircuit.org](http://www.baycircuit.org) under the Explore tab. Please review them for updates to the trail guide and maps.

### *Easton section of BCT continued from Map 11: Map 10 points H&J become A&B on Map 12*

**A** N42 00.797 W71 05.841

8.6 From Prospect Street, turn right onto power line maintenance road (P=2). Hike southeasterly to intersecting abandoned railroad bed.

9.6 Cross abandoned railroad bed, and continue to hike southeasterly to Rte. 138.

**B** N41 59.878 W71 04.047

10.5 At the junction of Rte 138 and the utility

pole line 0.8 mile south of Rte 106 in Easton, cars may be parked off road under the pole line (P=2), heading south and not obstructing the utility access road. BCT goes east from the opposite side of the road and follows the pole line thru the **Hockomock Swamp Wildlife Management Area**.

11.1 Cross town line into West Bridgewater.

**West Bridgewater:** *North to south (actually west to east here); distances are approximate. BCT logos at trailheads and major intersections; trails blazed with white rectangular markings. The "Bridge-waters" are well named - the 6.6-mile West Bridgewater segment of the BCT, when complete, will cross once over the Hockomock River and three times over the Town River. The trail passes through woodlands, farmlands, and historic sites, often within sight of water. The combined walking distance of the two sections of the currently dedicated West Bridgewater Bay Circuit Trail is 4.0 miles. The finished 6.6 miles will include about a one-mile detour under Rte 24, a privately owned section presently under negotiation, and the length of Forest St. Temporary BCT includes a 1.4 miles walk along South Elm St.*

0.0 Trail crosses into West Bridgewater and continues on the pole line. Bear right on access road off pole line.

0.8 Turn left onto Old Maple St (dirt rd, no public vehicular access), with the Hockomock River on the left.

1.0 After crossing the river over a stone bridge, leave **Hockomock Swamp WMA**, continue straight past an orange gate and a small parking area on right (P=4, do not block private driveway opposite). Old Maple St becomes Maple St. Continue on Maple St, left at Pleasant St., and right on South Elm St. Cross under Rte 24 overpass to Scotland St.

**C** N42 00.210 W71 02.121

1.8 Blazed BCT ends (temporarily) at South Elm and Scotland Sts. Dedicated Bay Circuit Trail Route with new off-road trail segment through the Haseotes-MassWildlife land is now open and marked.

*To follow Dedicated Bay Circuit Trail:* Turn right onto Scotland St after crossing under Rt. 24. Walk 0.9 miles (currently unmarked as of early 2015). Hikers should walk on the left edge of the road to face oncoming traffic.

2.7 Turn Left off of Scotland St at a small gravel pull-off (room for ~2 cars). The trail runs parallel to the Town River.

3.0 Continue straight, passing the landmark **Skim Milk Bridge** on the right.

3.3 At the trail junction take a sharp right down a short slope. Continue through the wooded MassWildlife property until you emerge at the edge of an open residential backyard. Stay straight to follow the edge of the brush on MFW property towards Clinton Road.

**D** N42 00.070 W7101.130

3.5 Turn right, crossing the bridge over the Town River, and walk along Forest Street.

3.6 Small resting spot on the right at the well-

marked **Solitude Stone**. Continue along Forest Street 1.1 miles.

E N42 00.835 W71 00.959

4.7 Turn right onto River Street towards the center of West Bridgewater. (*Good photo of the Town River with its double-arched stone bridge. Across River St is the 1662 Rev. James Keith House maintained as a Museum by the Old Bridgewater Historical Society*). Proceed east from the jct of River and Forest Sts on River St. Continue past Howard St on the left and past South St on the right, with view of the old **Canoe Club** of big band fame.

F N42 00.988 W71 00.547

5.2 Just beyond the beginning of Arch St is the entrance to **West Bridgewater War Memorial Park**. After visiting the park, return to Arch St and continue over the bridge (closed to vehicles), with dam and fish ladder upstream on right.

5.3 Turn left onto Bryant St and continue thru a residential area.

5.6 Trail crosses Rte 28 (restaurant on each western corner, one with ice cream stand). Continue onto Ash St, an ancient way, now paved along residential neighborhood up to Reynolds Landing, then gravel and wooded road.

6.2 Trail passes a parking lot on the left for a short path to **Reynolds Landing**, a canoe landing on the Town River. (P=10) Continue on Ash St. which becomes gravel through a wooded section.

6.7 Turn left onto Rte 28 South.

G N42 00.230 W70 59.446

5.3 BCT crosses into Bridgewater at the town line sign.

**Bridgewater:** *Not blazed*

G N42 00.230 W70 59.446

0.0 Town line on Rte 28, head south to High St.

0.4 Left on High St (traffic light) to **Bridgewater Ironworks Park at Stanley** at High and Wall Sts.

H N42 00.175 W70 58.927

0.7 High and Wall Sts. Current end of trail in Bridgewater.

*For now hikers should proceed along roads to point K. No blazes. From Ironworks Park go east on High St to Rte 18. North on Rte 18 to Spring St. Go left. Park on shoulder of Spring St at point K, where former RR line crossed rd.*

**East Bridgewater:** *Trail is blazed with occasional white rectangular markers, high on trees or utility poles. Double blazes offset indicate a turn in the direction of the upper blaze.*

K N42 01.697 W70 57.855

0.0 Start at power substation driveway on Spring St (P=3-4) Go northeast on Spring St toward jct with Rte 18.

0.4 At traffic light bear left slightly to safe crossing of Rte 18. Use pedestrian walk button. Cross to island and small park with bench and sundial. (Or from traffic light go right onto Rte 18, past a Cumberland Farms, to a cross walk. Cross Rte 18, then left along Rte 18 to the same traffic light). Go southeast on Central St sidewalk.

0.7 At town common, with High School on the right, bear right onto Plymouth St. using sidewalk on west side. Cross Plymouth St using crosswalk 0.35 mile from common, just before the Satucket River and jct with Rt 106.

L N42 01.297 W70 57.017

1.3 Immediately after Plymouth St crosses the Satucket River turn left onto Bennett Lane. Trail enters **Satucket River Conservation Area** beside the parking area at end of Bennett Lane (P=4, do not block private driveway at the far right corner). BCT more or less follows the river for about 0.5 mile. There are many other trails in this area including the “express route” (an old cart path, probably the original Plymouth St), which leaves Bennett Lane parking area right of the BCT. Benches at intervals offer views of the river.

BCT goes left to brook crossing. Trail to right shortly before brook crossing is the other end of the “express route.”

1.8 Immediately after brook crossing see sign for **Phillips Wildlife Area** (oldest town conservation property acquired as a gift). Go straight about 1/8 mile.

Bear left in pine grove (detour right for good view of an active cranberry bog). Shortly bear right onto a smaller tr Go thru opening in a chain link fence to a right turn toward Susan Place road. Go uphill to exit east at the guard rail.

2.2 Exit **Satucket River Conservation Area** onto Susan Place cul-de-sac at #15 Susan Place. There are no blazes, but a kiosk is planned. Walk along Susan Place to jct with Rolling Hills Dr

2.3 Right onto Rolling Hills Dr. This road is a loop where Rolling Hills Dr goes left; continue straight to Bridge St.

**M** N42 01.131 W70 55.913

2.7 Left onto Bridge St. Frank Johnson Memorial Park is east of bridge, parking for fishing only.

3.3 Bridge St. and Crescent St. Right on Crescent St.

*(continued on map 13)*
