Hike Map 4 - Andover, Tewksbury, Lowell - BAY CIRCUIT TRAIL route

As shown on Hike Map 4 updated February 2024, text updated February 2024

Know Before You Go:

All section guides provide written directions for the trail in a **North to South (Southbound)** direction unless otherwise noted.

There are two sets of BCT maps and guides. The Hike Map Set and The Bike Map Set. Each set shows the route for its specific use. Much of the bike route overlaps with the hike route, but the separate map sets clearly display each route independently. To see where the trail uses overlap or differ, compare the map sets OR refer to the BCT Interactive Map on the Bay Circuit Trail website (<https://www.baycircuit.org>) to see the routes, and other trail use allowances, simultaneously.

Note about Trail Marking

The BCT often follows pre-existing local trails; BCT specific blazing is a work in progress and may be sparse in segments. We encourage you to review and carry corresponding local maps on your BCT walk. [Trail Notices](#) regarding trail problems and closures are posted on the website at www.baycircuit.org under the Notices tab. Please review them for updates to the trail guide and maps.
